

## House Resolution No. 3780

**Whereas**, the members of the Missouri House of Representatives pause to recognize KTJJ Radio in Farmington, Missouri, which is commemorating the resplendent occasion of its Thirtieth Anniversary in 2007; and

**Whereas**, for three decades, J-98 "The Boot" has dedicated itself to serving the citizenry of southeast Missouri with local news, weather, and sports; and

**Whereas**, going above and beyond the barrier of just playing music, J-98 devotes its programming to special events including 98 days of summer, country days, town festivals, concerts, and fairs; and

**Whereas**, J-98's "Good Neighbor Program" has provided information, service, security, and peace of mind during weather emergencies, while the station's promotion of business and industry has assisted the growth of local communities through sales efforts to publicize products and services; and

**Whereas**, KTJJ Radio supports local schools and colleges to inform listeners of classroom courses, bond issues, and board meetings; and

**Whereas**, public service events are actively pursued including the mineral area college student nurses Mega Blood Drive, American Cancer Society Relay for Life, Walk America, elections, and board meetings; and

**Whereas**, KTJJ Radio lives up to its nickname as it remains the only broadcast station between St. Louis and Cape Girardeau with a newsroom staffed twenty-four hours a day; and

**Whereas**, KTJJ Radio will celebrate its thirtieth year of operation during Farmington Country Days on June 2, 2007:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join in extending our most hearty congratulations to KTJJ Radio upon this very special anniversary event; and
